A panel proposal for the BAFTSS conference in 2019.

A symposium Call for Papers, to be held in London at the Derek Jarman Lab, Birkbeck. We hope to have BAFTSS support on the new symposium, to be held in spring/summer 2019.

In the past:

A workshop at the Derek Jarman Lab, London (<https://www.jarmanlab.org/#post-723>).

A symposium at the University of York - Centre for Narrative Studies

As visible on the BAFTSS webpage dedicated to the SIG Essay Film, we hosted a Symposium, which was supported by BAFTSS and the Centre for Narrative Studies of the University of York (all documentation was sent to BAFTSS back then).
